SWINGING DOOR RAILS

Item: Sample Door Rails (pins included)
Sample Door Pins (extra pins)

This display option offers a flexible solution for our 15x15 or B15 door samples. Some assembly required for attaching door pins as well as mounting rails to wall. This system can also be integrated with a vignette between upper and lower cabinets for an effective display.

Door samples must be ordered separately. Installation of pins on doors and the rails to the wall are required.

CASCADE STANDS

Item: Sample Door Cascade

This easy-to-assemble display option accommodates up to 12 15x15 door samples. It includes two stands, each capable of displaying six doors. Assembly involves connecting the racks to the pegs. The system can also integrate a vignette between upper and lower cabinets.

Minimal setup is needed, and door samples must be ordered separately.
