

ProKitchen
Professional Design Software

Send to Cart Feature

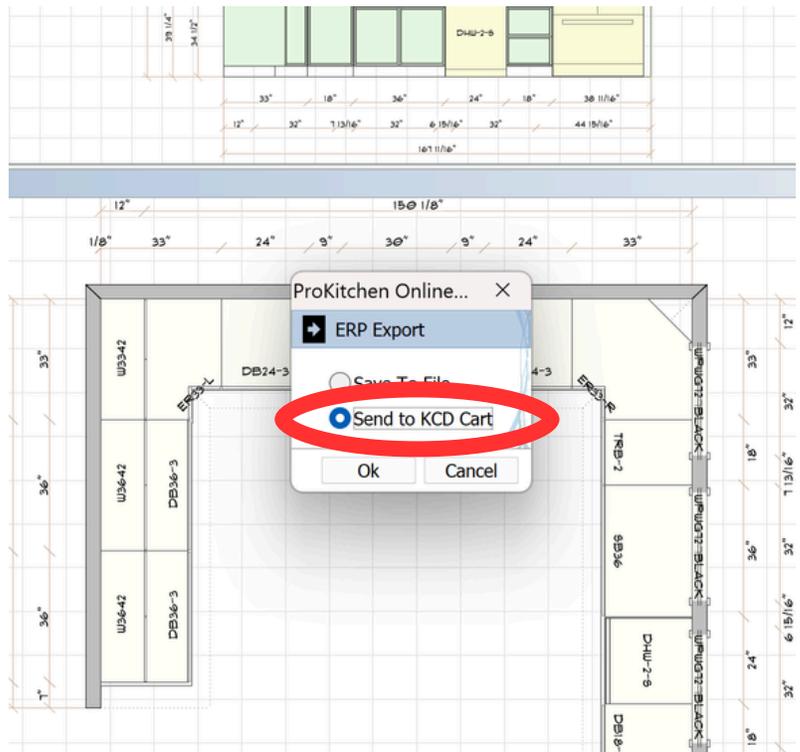

Important Notes:

- *Supports transfer of up to 2 styles (catalogs) per design.*
- *If multiple cabinets share the same modification, only one will transfer correctly. Additional cabinets must be updated manually in Dealer Portal.*
- *Always review the Saved Cart to confirm all items transferred correctly.*
- *Must use KCD catalogs.*
- *Must use ProKitchen Online.*

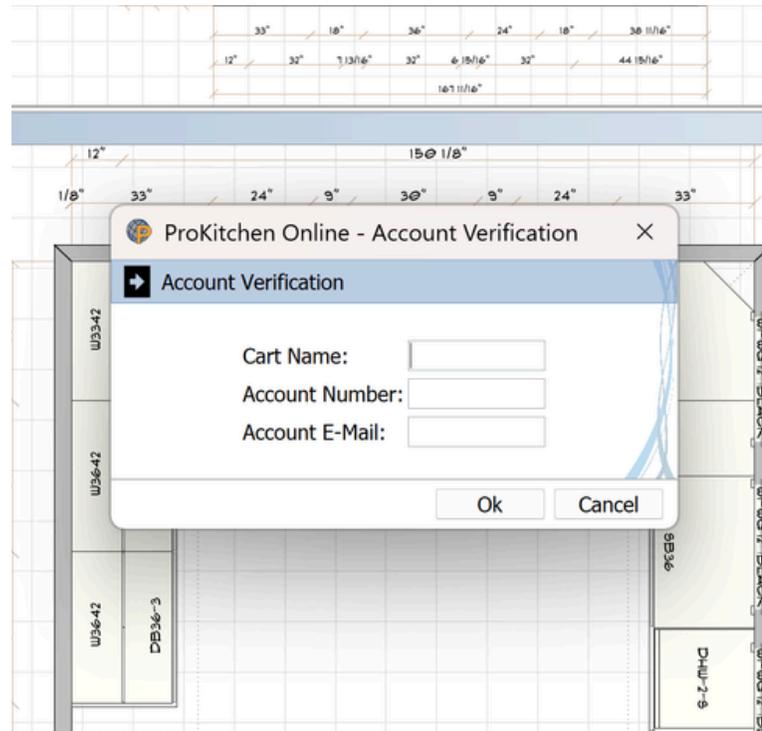

After saving your design click on the **EZ-Link** button

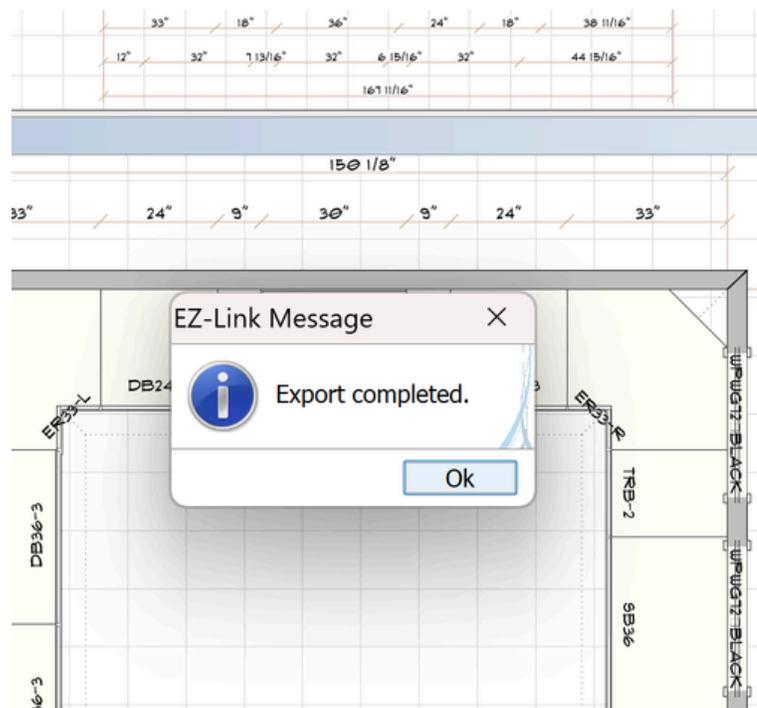

Select **“Send to KCD Cart”** and hit **ok**

Fill out the fields with your **PO, KCD account number,** and the **email associated** with your Dealer Portal and hit ok.

You will be notified the **export was complete.**

Log in to your Dealer Portal and click on "saved carts" to locate the transferred order.
